

THE BULLDOG'S BARK 1946

The Bulldog's

1945-6

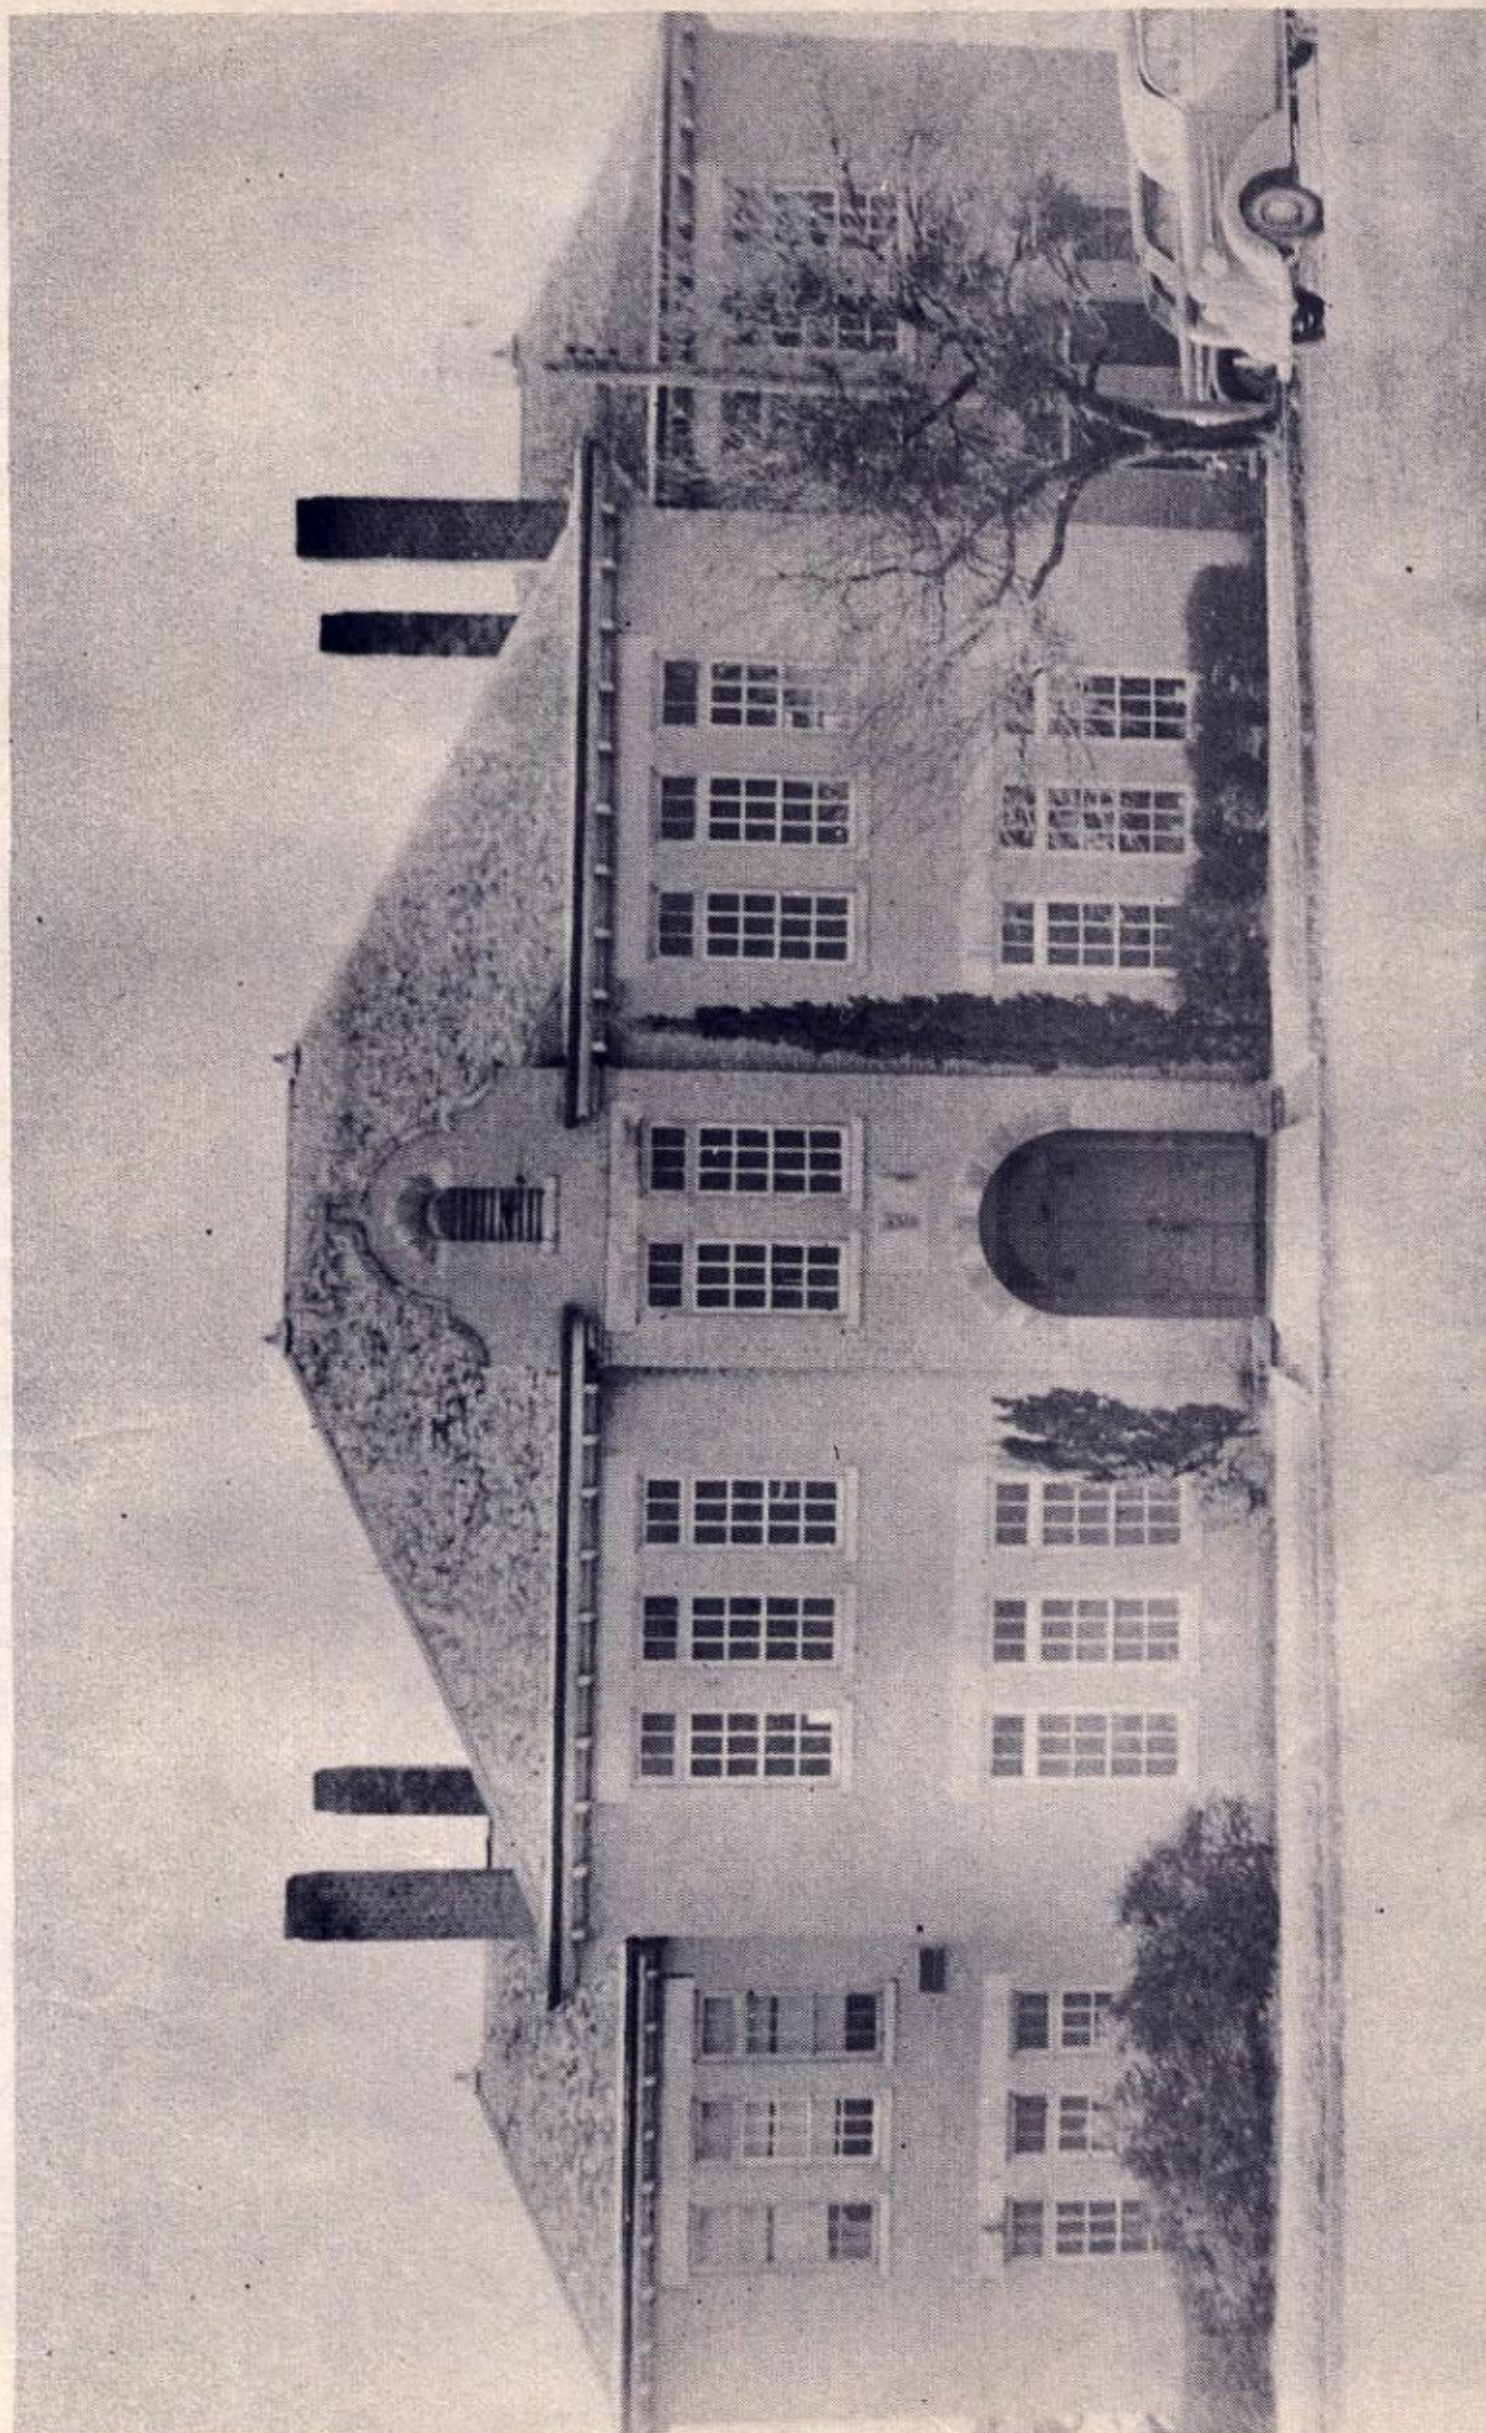

Dedication

To
Miss Mary Lou
Locke

Whose life among us, as teacher and friend, has been so wholesome and unselfish an embodiment of the ideals of scholarship and loyalty and service for which our school stands; whose quiet and faithful performance of duty, and whose examples of integrity and genuine womanhood have for three years won the admiration and commanded the respect of MULLIN HIGH SCHOOL boys and girls; we, the Seniors of '46 gratefully and sincerely dedicate this volume of THE BULLDOG'S BARK.

Mullin High School

FACULTY

A Message from our Superintendent

Teachers and Students:

I wish to express my gratitude and sincere thanks to you for the successful school year of 1946. I know that you must have the love in your hearts for your fellow man to have made this contribution to our school. This reaction reminds me of an old quotation: "Thou hast made us for Thyself, Oh Lord, and our hearts can never rest until they rest in Thee."

I know that all of you are inspired by our Lord to reflect your character and behavior as you have done.

So, in conclusion let your worries and troubles rest in our Saviour.

Sincerely,

L. H. Cook

Senior Class Prophecy

An old Senior of '46 by name of BOBBY PLUMMER wrote a letter to CHARLES KELLY, another Senior of the same year, telling about the other Seniors of 1946.

BOBBY is an announcer for KMJS, Mullin, and draws quite a handsome salary. CHARLES is business manager for a factory in Ft. Worth.

The letter begins this way:

January, 1956

Dear Charley:

Just a line to let you in on the latest news of your classmates. Well, to begin with, CHARLES DAVIS and CHARLES REED own a very exclusive night club in Mullin called "Charley's Drive-In." It's really a swell place. Just a few nights ago I was in there and who do you think I saw? None other than REX MAHAN in his Navy uniform. I hear he stays around quite a lot since he's been home on leave. You know the little green eyed, blonde, VIRGINIA ALDRIDGE is Charley Davis' secretary, and she's always around.

After awhile I saw ALLENE CRYER and BILLIE SUE McCOY come in the door with their mink coats and gorgeous gowns. You know ALLENE is one of New York's famous models and cover girls while BILLIE is Vice-president of the New York National Bank.

Well, DOROTHY PITTMAN had supper with me. She's secretary for JAMES ROY, who owns Mullin's largest motor company. While we were having supper who should come in but BETH JONES and a young intern from the hospital where she works.

KATY and JACK CLENDENON come over to see me every once in a while but they weren't at Charley's when I was.

The other day my car had a flat so I went over to GAIL HICKS' Garage to get it fixed

BOBBY GREEN, who is Dean of Howard Payne College, was down last week to employ CHARLES UTZMAN as a typist for him.

GLYNN HOBBS and HENRY BURKES were in town yesterday from their ranch to get some supplies. I understand they have the largest ranch in Mills County.

You know HUDSON HODGES has a farm just outside of Mullin. I was out there a few days ago. It's quite a nice place.

Have you seen EARLENE and RAY DAVEE lately? I understand they live in Dallas. If you see them tell them hello.

Well, this is all the news from Mullin.

Sincerely,

Bobby Plummer

HERE IT IS! The last snapshot has been taken; the last ad has been sold; the copy is going to press. The annual staff relaxes - no more pictures to be seen - no more typing to do - no more work on the 1946 BULLDOG'S BARK.

The Editor, Business Manager, and Sponsor wish to express their appreciation to all those who in any way have been of assistance in putting out this book. We have worked hard and the staff is pleased to present to you for your inspection and enjoyment, this, The 1946 BULLDOG'S BARK. Now, that it is finished, we see the mistakes we have made. Probably some things have been omitted and others are incorrect, but we have strived to give you a book that will be an everlasting remembrance of the happy days spent in MULLIN HIGH SCHOOL. We hope you like it.
